Attached are copies of your address assignment letters. Please display your address at the entrance of your property in reflective illuminated characters where it is visible from the road.

Your property is in an unincorporated area of the county; therefore, we recognize it as a county address. Please identify the nearest community or verify with neighbors what postal community they are using and contact that post office.

If you have any questions, please call our toll free number at [1-888-889-1910](tel:1-888-889-1910) or email 911Addressing@ctcog.org.
